

FRAMEWORK : : **SUNFLOWER** WEB STUDY

This web study will be done for the first time during 2022 to assist the Sunflower Industry with relevant information. It is subdivided into the following categories:

1. Agronomy

1.1. Production Practices

(a) General

[Factors influencing seed set and grain fill in sunflower production](#)

Van der Westhuizen C., *Oilseeds Focus*, Vol 5 No 2, June 2019

[A look at sunflower performance under CA](#)

Dr Ma'ali S. & Dr Nel A., *SA Grain*, September 2020

[Before Planting Sunflowers – Checklist & Tips](#)

Nuseed U.S., June 2022

[Conservation practices help protect crops from pests and pathogens](#)

Dr Jankielsohn A. (ARC Small Grain Institute)

[Die invloed van cultivar, omgewing en bemesting op sekere chemiese eienskappe van sonneblomsaad](#)

Smith G.A., Smith N. & Bender M.J., *S. Afr. Tydskr. Veek.* 8, 27-32 (1978)

[High plains sunflower production handbook](#)

Published at Kansas State University in cooperation with Kansas Sunflower Commission, National Sunflower Association – High Plains Committee, Colorado Sunflower Administrative Committee, and Colorado State University, Kansas State University, University of Nebraska (Lincoln), University of Wyoming, USDA and ARS, April 2009

[Planting Depth Study in Sunflowers](#)

AGCO Blog, 27 April 2021

[Sunflower – Production guideline](#)

DAFF, 2010

[Sunflower Planter Tips](#)

Nuseed Europe, 24 February 2021

[Sunflower Production Guide](#)

PANNAR

[Sunflower Production – A Concise Guide](#)

Department: Agriculture & Rural Development, KwaZulu-Natal

[The Sunflower Production Guide](#)

Canada, NSA

[Sunflowers: How to plant, grow and care for sunflower plants](#)

The Old Farmer's Almanac

[The impact of key drivers on sunflower seed quality](#)

Delpont M., *Oilseeds Focus*, Vol 7 No 1, March 2021

[When to plant sunflower for optimal yield](#)

Farmer's Weekly, 15 March 2018

(b) Fertilization (NPK and Micronutrients)

[Bemesting: Wanneer is hoeveel nodig?](#)
